BANDI JANANI

Insurance Operations Specialist

bjanani333@gmail.com | +91-8555039417 | Bengaluru, Karnataka

PROFESSIONAL SUMMARY

Detail-oriented Insurance Operations Specialist with hands-on experience in motor insurance processing across multiple leading insurance providers. Proven ability to manage end-to-end policy operations, claims coordination, and customer servicing in a fast-paced consultancy environment. Adept at working with insurer portals, policy documentation, and cross-functional teams to deliver accurate and timely insurance solutions.

WORK EXPERIENCE

Shamrock Consultancy Services Inc.

Bengaluru, Karnataka

Insurance Operations Executive | Present

Key Responsibilities:

- Process motor insurance policies for individual and commercial clients across multiple insurers including Tata AIG, Kotak General Insurance, Royal Sundaram, and Go Digit Insurance.
- Coordinate end-to-end policy issuance — from quote generation and document verification to policy binding and delivery.
- Manage policy renewals, endorsements, and cancellations in compliance with insurer guidelines and regulatory standards.
- Liaise with insurance companies' portals and internal teams to ensure timely processing of new business and renewal cases.
- Support claims intimation and first-level claims coordination by collecting required documents and guiding customers through the claims process.
- Conduct data entry and maintain accurate records in insurance management systems, ensuring zero discrepancy in policy data.
- Address client queries related to coverage, premium calculations, No Claim Bonus (NCB), add-ons, and policy terms.
- Prepare daily, weekly, and monthly MIS reports tracking policy counts, premium collected, and renewal conversion ratios.
- Ensure adherence to IRDAI guidelines and company SOPs for all insurance-related transactions.
- Collaborate with sales and operations teams to achieve business targets and improve client retention rates.
